Insurance	RFU compulsory insurance cover is only available for players who are paid-up members of the Club. The scheme does not cover loss of earnings. It is up to each player to arrange additional personal insurance cover if they are not satisfied with the cover provided by the RFU.			
Data Protection / GDPR	The Club will retain and use your personal data (including potentially sensitive data) for the purpose of participation in rugby, facilitating membership and use of the Club facilities, for regulatory reasons and to send you information about Club activities from time to time by post or via email. Your email address will not be given to anybody other than for one of the above purposes. Email will be the Club's primary method of communication this season. <b>Please ensure you provide us with a regularly-used email address.</b>			
Signed
